<b>Type:</b>	Gas, Outboard		
<b>Horsepower:</b>	15 hp		
<b>Engine Condition:</b>	Excellent		

**Additional Information:** 14' Lowe aluminum hull rowboat. Powered by a 15 hp Johnson that has been barn stored and looks new! She also has the two oak rowing oars, removeable navigation light option, an electric Minn Kota trolling motor (oars, lights, trolling motor and outboard are stored away). This boat is in great shape with no signs of corrosion. A perfect boat for fishing the rivers. She should be super fast too with the 15 hp Johnson!
