Builder: Four Winns  
Model: 207 DC Quest  
Length: 20’  
Hull Material: Fiberglass  
Beam: 8’ 4”  
Layout: Dual Console  
Draft: 2’ 3”  
Hull Condition: Good  
Weight: 2,390 lbs  
Deck Condition: Good  
Engine Year: 1990  
Manufacturer: Single Johnson  
Equipment: Bimini Top-stored away  
Type: Gas, Outboard  
Electronics: Garmin-stored away  
Horsepower: 150 hp  
Engine Hours: 1,200 hrs  
Engine Condition: Not Running

Additional Information: Powered with a 150hp Johnson outboard. Engine is not running. She does spin over but will need a new flywheel (some teeth missing) and a starter. Decks are solid. She comes with a bimini top and a Garmin FF. A 12 gallon shop tank is currently hooked up. I can only assume the main tank has either failed or needs to be pumped out. Does not come with trailer. Nice dual console layout that would be very easy to maintain. Never stored in the water or bottom painted.
