Engine:	Not Running		

Additional Information: Powered by twin 454 merCruiser inboards. Both engines will need to be rebuilt or replaced. This boat has an enormous cabin. Great layout for cruising, fishing, or even a liveaboard. She does need some cosmetic work and some carpentry work in the cabin. Make sure to look at all the pics. This is a lot of boat for the money! On the hard for your inspection. Call us to set up an appointment.
