HEALTH, AGE AND LIABILITY RELEASE

I, _____, on this _____ day of _____, 20____
(Printed Full Name)

having read the course description and requirements for completion of the Marine Safety Courses, do hereby release and hold harmless Port Canaveral Maritime Academy, Port Canaveral Maritime Academy Instructors, Cape Canaveral Volunteer Fire Department, Inc., and Members, Canaveral Port Authority and Gee & Jenson EAP, Inc., of any and all liabilities and/or damages or injuries incurred from training or that may result from the use of the training facilities.

I understand the fire fighting course curriculums, if applicable, are physically demanding and may expose me to high temperatures while conducting the required course exercises in the fire training simulator. I also understand the Personal Survival Techniques course curriculum, if applicable, exposes me to the normal hazards associated with a water training facility while conducting the required course exercises in the water survival training simulator. I certify that I am at least 18 years of age, meet all applicable medical and physical requirements and am adequately conversant in the English language to complete the course requirements.

It is understood and agreed by and between Port Canaveral Maritime Academy, and the student and/or employing company that in agreeing to train and/or evaluate the student, Port Canaveral Maritime Academy makes no representations or express or implied warranties as to the fitness or ability of said student to serve in such capacities while actually employed aboard the vessels of his/her employing company or any other employer beyond certifying as appropriate that said student has satisfactorily completed the training contracted with Port Canaveral Maritime Academy to provide in accordance with applicable U.S. Coast Guard or other governmental regulations or, international convention or treaty requirements as may be applicable.
