

# Chapman Sailing Certification

## CSC 200 - Sailboat Handling

Total: 2 Days

### Educational Objectives

This is the 2nd certification level in the CSC series and has been specifically designed to build on the skills learned in the CSC 100 Sailing Fundamentals program.

The program is geared toward those individuals who have learned and practiced the basic fundamental sailing skills and who wish to enhance their experience and comfort level while operating a sailing vessel.

Through the Chapman School's unique "Learn at the Helm"™ teaching, students are able to combine elements taught in the classroom with underway practice onboard one of the Chapman School's fleet training vessels.

### Course Description

#### Weather Helm/Lee Helm

Procedures to eliminate a sailing vessel's lee helm and reduce a vessel's excessive weather helm.

#### Sail Trim

How to properly trim your boat's sails to match your course and apparent wind direction.

#### Tacking And Jibing

How to properly execute the two basic turning maneuvers under sail.

#### Running Wing and Wing

How to properly set sails to run "wing & wing" and avoid an accidental jibe.

#### Rigging for Heavy Winds

How to properly shape and reef your sails as the wind increases.

### Jacklines, Teathers & Harnesses

Correct set up and use of safety equipment designed to keep crew aboard the vessel or to help keep you attached to the vessel should you fall overboard.

### On the Water Skills

Sailboat skills and boat handling where students put their newly learned skills to the test with specially structured underway exercises aboard a Chapman training vessel.

Training includes 4 hours of classroom and 12 hours underway boat handling aboard a mono hull sailing vessel.
