

# Chapman Powerboat Certification

**Your Passport to Boating Pleasure**  
**CPC 2000**  
**Total: 5 Days**

### Educational Objectives

The objective of CPC Coastal Cruising is to teach students the skills necessary to expand their boating horizons confidently and safely. Whether it's for a short weekend trip or an extended cruise, students learn how to properly prepare for a voyage into unfamiliar waters on a twin inboard power vessel. With the skills learned in CPC 1000 as a building block, this curriculum teaches critical cruising elements that include piloting and chart navigation, electronic charting and radar, running inlets and handling common emergencies underway.

Students put their newly learned skills to the test with specially structured underway exercises on board a Chapman training vessel. This program includes approximately 16 hours of "hands-on" training simulating the types of real world situations encountered while underway.

Designed for serious boaters who want to increase their cruising skills in a fun, practical and hands on learning environment. Each class is taught by U.S.C.G. licensed, professional instructors using Chapman School's unique "Learn at the Helm" approach. Class size, on board, is limited to 5 students to maximize individual attention and instruction while underway.

CPC 2000 provides the foundation for advanced curricula of CPC 3000 and 4000 certification levels.

### Course Description

#### Inland and Coastal Chart Navigation - 9 hours

Inland piloting techniques, Aids to Navigation, Rules of the Road, off-shore position determination, and tides and currents planning.

#### Voyage Planning - 8 hours

Chart selection, route planning and development, route analysis, watch standing & responsibilities, fuel requirements, provisioning, using electronic navigation tools, radar and weather reporting sources.

#### Voyage Execution & Cruising Skills - 16 hours (underway)

Pre-departure procedures, transiting inlets, using charts and electronic navigation equipment en-route, monitoring essential vessel systems, docking and undocking procedures, MOB recovery, transiting bridges, and marina considerations.

### Admission Requirements

- **Prerequisite** - The successful completion of CPC 1000.
- Minimum student age is 18.
- Submission of completed and signed Registration Form and non-refundable deposit.
- Provide official photo ID on the first day of class.
- Class requires a minimum of two (2) students.

### Testing & Certification

Students who have successfully completed the program and pass both the written CPC 2000 exam and the boat handling skills test given at the conclusion of the program will be awarded a "Certificate of Completion" from the Chapman School of Seamanship.
