Length:	23'	Hull Material:	Fiberglass
Beam:	8' 6"	Layout:	Cabin Cruiser
Draft:	2' 6"	Interior Upholstery:	Average
Weight:	4,625 lbs	Exterior Upholstery:	Poor
Engine Year:	1993		
Manufacturer:	Single Mercruiser 5.0L		
Type:	Gas, I/O		
Horsepower:	220 hp		
Engine Hours:	Unknown		
Outdrive(s):	Alpha		
Engine:	Needs Replacing		

Additional Information: Powered by a 5.0L merCruiser Alpha. The engine will need to be replaced and is semi disassembled. The boat is a classic cabin cruiser design with an enclosed pilot house. The cabin is very spacious for a boat of this size. Cabin plywood floor is rotten and will need replacing. This was a very popular model for years. Several stainless fittings are corroded and will need replacing as well. All in all, she would be a very nice pocket cruiser after being repowered with either a used or a rebuilt engine. Does not come with trailer and none are for sale. Call us and come take a look at her.
