

23' John Allmand 1974

\$995

Builder:	John Allmand	Model:	Ticonderoga
Length:	23'	Hull Material:	Fiberglass
Beam:	8'	Layout:	Sport Fish
Draft:	2' 7"	Hull Condition:	Needs Bottom Paint
Weight:	3,400 lbs	Deck Condition:	Foredeck Soft
Engine Year:	1974	Interior Upholstery:	Average
Manufacturer:	Single Chrysler	Electronics:	Fish Finder
Type:	Gas, Inboard		
Horsepower:	225 hp		
Engine Hours:	427 hrs		
Engine Condition:	Not Running		

Additional Information: Powered with a single 318 Chrysler 225hp straight inboard. Rare feature on this model. Most of them were built as inboard/outboards. She would make a terrific restoration project. Engine is not locked up but has not been run in a few years. She will definitely need some work to get her up and running again. This boat was very popular and stayed in production for many years. Not too many 23' boats were ever produced with dual stations and true straight inboard power. Come check her out!
